To request additional access for others in your organization, please email [bsd@ct.gov](mailto:bsd@ct.gov).

### [UCC Active Lien Data – Free](#)

Our UCC data set has been updated for liens processed through [business.ct.gov](http://business.ct.gov) and will be updated nightly. This data set provides all active UCC liens and other liens filed with our office. "Active" liens are liens that have not lapsed (expired).

### [Business Entity Database - Free](#)

We no longer charge for access to the business registry database extract. The extract is posted on the state's data portal at [data.ct.gov](http://data.ct.gov) as five data sets. The Business Master (Account Object) data set contains the primary information collected for each entity on the Connecticut Business Registry System. The Agent Details, Principal Details, Business Filing Details, and Business Name History object data sets are intended to be subsidiary objects of the Business Master (Account Object) data set.

Email your completed UCC Image Subscription Form to: [bsd@ct.gov](mailto:bsd@ct.gov).
